COVID-19 Procedures

Help us to limit the spread

VictoryGate Custom Homes, LLC wants to keep the community safe from the spread of COVID-19 (known as “coronavirus”). In doing so we have to ensure the safety of not only our project sites, but also our clients, workers, contractors, and anyone working in conjunction with VictoryGate on any of our projects. To do so we are asking that you follow these procedures.

PLEASE

- **If you have any flu-like symptoms (fever, cough, sore throat, etc.), or have been in contact with someone exhibiting such symptoms in the past 14 days, PLEASE refrain from entering any project site or the VictoryGate showroom and corporate office.****
- Contact us immediately if you have any of the aforementioned symptoms and have been in contact with any VictoryGate employee, worker, contractor, vendor, or supplier or have been present at any project site or the VictoryGate showroom or corporate office.
- While on a project site or the VictoryGate showroom or corporate office, please provide all employees or on site personnel with at least 6 feet of distance between you and them.

4. Wash your hands with soap and water or alcohol-based hand sanitizer before and after your visit to any project site or the VictoryGate showroom or corporate office.
5. Cover your sneeze with your elbow or a tissue.
6. Avoid touching your face, eyes and mouth with your hands.

It is our goal to continue to serve as many clients as possible during this pandemic and to maintain our project schedules. We have put in place procedures at our project sites, showroom and corporate office to ensure the safety of our clients and personnel by maintaining a clean and safe environment. However, in battling COVID-19 it is imperative that we work together to stop its spread. We appreciate your understanding and cooperation with our measures and look forward to continuing our working relationship.

VictoryGate Custom Homes
